

Roommate Request

Please indicate below your choice of roommate assignments for each resident participant. If you have an odd number of male or female students, they may be placed in a room with a student from another school. Advisers will be placed in rooms with other advisers unless requested otherwise. Requests must be received by 6/1, or rooms will be assigned by workshop director. TWU charges extra for roommate changes made at or after registration. If room is available advisers may request a single room for an additional charge of 60.00. The 60.00 will be refunded if space is not available.
